

# KIDS ACTIVITY PACK

## The Prodigal Son Big Game:

Gather all your friends together and sit in a big circle. Take it in turns to go around the circle and snort at the person next to you, like the pigs in the story would have done! The person who is sorting and the person who is being snorted at is not allowed to laugh, if they do then they are OUT!

## THE BIG IDEA:

This is another story Jesus told about what God is like: it was a story about two sons and the youngest who didn't make the best decisions! Before too long the youngest son was left with nothing and was surrounded by dirty, smelly pigs. But he remembered something - his father's house.

## Big Story:

The Prodigal Son, you can find this story in [Luke 15:11-32](#)

## Big Prayer:

Just like the father who celebrated when his son came home to him, God is full of joy whenever one of His children comes home to Him too.

- ? Can you think of a time when you make a wrong choice like the man in the story?  
Who had to forgive you?
- ? Or can you think of a time when you have forgiven someone and chosen to still accept them?

'Thank you God that you still love us and welcome us to be part of your family, even though we don't always get things right, Amen'.

# MEMORY VERSE:

**“For this my son was dead,  
and is alive again; he was lost  
, and is found And they began to celebrate’  
Luke 15:24**

## THE BIG ACTIVITY

**In two teams create your own treasure hunt with clues and chocolate coins for the prize at the end. Then swap clues and see if you can discover the money!**

**Or why not get some coins and have a go at coin rubbings, what pictures can you make?**
